Course Posttest
Course Conclusion

This course includes:

- Over 270 screens of information
- 27 demonstrations
- 13 simulations
- 9 exercises
- 80 test questions

Course prerequisites:

- A computer with Kid Pix 3 Deluxe (Windows or Macintosh) installed.
- Ability to use a mouse.

- Ability to navigate hard drive folders.
- 800 x 600 screen resolution
- This course contains a small amount of audio. A sound card would be helpful but is not necessary.
- Flash 6 player.
- One of the following browsers: Internet Explorer 5, Netscape Navigator 6, Omniweb 4, Opera 6, Mozilla 1.2.
